

**TO SEE WHAT GOOD FORTUNE AWAITS YOU,
STEP INTO OUR BOOTH IN HOUSTON.**

Throughout history men have used crystal balls to peek into the future. Then waited for events to happen. A few took a simpler approach. They listened to what customers wanted, thought about it, and then worked hard to make it so. See your vision of new cryogenic equipment at AWS Booth 1629.

**Our custom canal aid makes life
sound young again for mild loss patients.**

Right now 22 million Americans over 50 suffer from mild hearing loss. With our custom ITE canal aids, you can help first time mild to moderate loss patients enjoy normal conversation, again.

Lang Canal Aids come with a 60 day free trial and a full 14-month service warranty. The instruments are shipped within 5 days of your order (95% guaranteed on orders with clear test results).

The 2:1 Input Compression

or IROS Venting Option, and the snap down or swing out battery door can be ordered with our canal aids. One aid model uses the 230 or 10A battery.

Lang is committed to making superb custom aids and aid options. We urge you to examine our quality, service, and dealer pricing carefully.

Send us your next ear impression, audiometric work-up and CWO, today.
